Old Business:

Get meeting notice posted in the Sammamish Review.

We didn't get approval for the City Hall until Nov. 1, not enough time.

New Business

November 15th drill. Has been post phoned until mid January. Details to follow as more information is available. The new date is tentatively set for the 3rd Wednesday of January.

Christmas party/get together to be combined with the Sammamish Citizen Corps. To be held on December 12th at Station 82. The time will be 6:30 pm.

The SARGE meeting will not be held in December.

New recruits information session and sign up for interested folks. We had two interested individuals attend which is a start. Hopefully due to the short time frame of the mailing there will be other interested individuals contacting Jan, Rick or myself in the near future.

Rick discussed the Service Support Volunteers group and its mission. Anyone interested in participating in this group please send Rick a completed application. Let me know if you need one and I will forward it on to you. There should also be one available on-line at www.mysarge.net as soon as we can get it posted.

We are down to the final steps in the acquisition of a box van that has been donated by All Service Glass. East Side Fire & Rescue will be the "owners" of the van which is designated for the Service Support Volunteers and the ARES teams in the area to use for events or other activities. We will be doing various fund raising events to get money together to build it out and equip it. We should have a first class Comm Van once

we get this built out. Anyone interested in helping with activities to get this up and running should contact Rick Olsen, N6NR, or I.
